Re: American Piano Show program on March 14

Dear Linda & Jim,

Your show was really a hit with our audience. I and other volunteer members of the Board of Directors of our association thought the program was outstanding. Many people we spoke with after the shows were talking about your coming back soon.

In addition to the wonderful keyboard artistry that Linda displayed, many remarked about her effervescent personality. Everyone in her entourage was personable and a delight to work with.

As chairman of the Artist Selection committee, I know I am going to hear requests to include you again on our concert series. As you know, we have already scheduled the 2008-09 seasons, but we hope to be contacting you for a program in 2010 or 2011.

Thank you so much for the wonderful program and your very gracious manner before and after the show. It was a privilege and a pleasure working with you.

Sincerely yours,

Karl Morris
